

SMALL HEATED & REFRIGERATED FOOD PICKUP TRUCK Easy Order # OA7533

\$34,500

NOTE: THIS TRUCK IS NOT DOCK HEIGHT

Description: Delivery Concepts HOTSHOT XL Refrigerated Food Transport Unit. 6' refrigerated body with four door access, mounted on a Dodge Dakota Club Cab chassis. Refrigeration is supplied by an engine driven system with ceiling mounted, two fan evaporator rated at 5,930 BTU @ 35° F. Temperatures: 0° to 40° F. Inside measurements 30" H X 65" W X 67" with approximately 75 cubic feet of cargo space. Body has white gel coat exterior and stainless steel liner. Dakota is white with gray vinyl interior.

Payload: The recommended weight, which can be transported using this vehicle, is 800 pounds including fuel and driver.

GVWR: The maximum weight this vehicle should ever weigh when loaded, including fuel and driver is 6,010 pounds.

ARI Terms: Truck leases will be set up using 72-month (6 years) terms, unless specified otherwise on the Vehicle Asset Requisition form. If excessive mileage is anticipated, please make a note on the form and specify a time period which will ensure that the vehicle is depreciated to its wholesale value when relinquished.
